Background and General Information

The Eric Evans Fund was set up in 1996 following a benefaction from the friends and colleagues of the late Eric Evans, a graduate of St Catharine's College who gained a Full Blue playing for the University Football Club against Oxford in 1975 and 1976. The fund is intended to support students who wish to improve their personal sporting performance beyond University level or to enable them to undertake qualifications in connection with officiating, coaching or the administration of sport.

The Fund is managed by the Director of Sport and two other persons appointed by the Sports Committee. The current Managers are Mr Nick Brooking (Director of Sport), Dr Joan Lasenby (Trinity) and Dr John Little (St. Catharine's), current senior members of University Sports Clubs.

Approximately £4000 is available to the Managers to make awards. The maximum individual award made by the fund managers is normally £300, although in exceptional circumstances, slightly higher awards may be considered.

Award Types

In general terms awards will come under one of the following two categories:

1. An award to improve an individual’s sporting performance
2. An award to allow an individual to undertake qualifications in officiating, coaching or administration of sport.

For each of these types of award, there is a specific Application Form.
